The Unforgotten Forces project is a multi-charity collaborative consortium project which has helped over 4000 older veterans across Scotland. Delivering service enhancements and advice, help in the NHS pathway, practical support in the home, tackling loneliness and social isolation, helping with hearing and sight loss, transport, respite holiday breaks & creative activities/events for those in care homes. Awarded £4 million of LIBOR funding from the MoD Military Covenant Trust's Aged Veterans Fund to undertake this programme until June 2020. If you are a veteran over 65 years, seeking support, or wish to refer an older veteran please use the link below to contact the partners in the Unforgotten Forces programme.
